

Located in Lake Erie, Kelleys Island is Ohio's largest island. Dotted with historic buildings, the quaint downtown offers shopping, entertainment and a variety of food and drink.

The State Park includes a fishing pier, boat launch, sandy beach, waterfront camping, nature trails and preserves. The Glacial Grooves are the largest exposed glacial grooves in the world.

Bring your vehicle on a scenic ferry ride or choose to walk aboard and explore the island by foot. Bicycle, golf cart and kayak rentals are available. Marinas can be found along the south shore or drop anchor in the tranquil North Bay.

Whether a day trip, weekend or extended getaway, Kelleys Island has fun and adventure for all!
